Public Comments: One of Huntingdon County's premier family dining restaurants is now available. Over 300' of frontage along Rt.22, this facility offers seating for 108 people. A new newly refurbished counter area has new flooring and booths as well as bar stools. The entry foyer has also been remodeled, with new windows installed between the foyer and diner. Multiple freezers and refrigerators. Historically, pies and bread have been baked in the lower level, and the equipment is there to do that today. If your dream has always been to have your own restaurant and cook for the people of Huntingdon County, here's your chance!
